Video Agency Briefing Checklist

10 things to include when briefing your video production agency

- ■ **1.** Project goal & primary KPI (awareness, leads, sales, etc.)
- ■ **2.** Target audience & buyer personas (demographics, pain points)
- ■ **3.** Example videos & visual moodboard (links or screenshots)
- ■ **4.** Full deliverables list & required formats (16:9, 9:16, 1:1)
- ■ **5.** Deadline & key milestones (script approval, rough cut, final)
- ■ **6.** Budget range — be honest so the agency can scope correctly
- ■ **7.** Brand guidelines & assets (logo files, fonts, color codes)
- ■ **8.** Voiceover / language needs (languages, tone, gender preference)
- ■ **9.** Legal requirements & talent releases (music licensing, model consent)
- ■ **10.** Contact person & approval flow (who signs off at each stage)
